Paper Title : 'Synthesizing Complementary Circuits Automatically'

Dear ShengYu,

On behalf of the IEEE Computer Society, we are confirming that you will be presenting your paper titled "Synthesizing Complementary Circuits Automatically" at the International Conference on Computer Aided Design to be held at the DoubleTree San Jose in San Jose, California, USA. The conference dates are November 2 -5, 2009.

Please visit the conference web site to learn more about the conference;
<http://www.iccad.com/2009/index.html>. The complete Conference program and registration will be available online September 11, 2009. Thank you for your interest and participation in the conference. The speaker rate for the full conference is \$400 and you will be sent specific registration instructions to complete your registration after September 11, 2009.

All technical sessions will be held at the DoubleTree San Jose conference facility. Upon arrival at the DoubleTree San Jose, go to the Advance Registration area and we will have your badge there for you with all relevant conference information.

We look forward to seeing you at the conference.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "Nannette Jordan".
