

NOTICE TO AUTHORS

Attached are page proofs for your review. Kindly note all corrections and return the proofs within **48 hours** of receipt.

CORRECTING YOUR PROOFS

To correct your proofs please carefully review the pdf file. Make any necessary corrections to your proofs in one of the following ways:

- 1) Print out the pdf file, write corrections on the printout, and return the printout by fax (**+1 732-465-6650**) or overnight express carrier to the attention of (**Sara T. Scudder, Journals Coordinator**).
- 2) Email (**s.scudder@ieee.org**) a list of corrections, citing: page, column, paragraph, and line of correction. It is best to show original error and corrected version. 3) If you have access to the appropriate software, annotate the pdf file and return by email (**s.scudder@ieee.org**).

Please Note: *If any authors are members of the IEEE, please provide their membership grade and years of grade.*

GRAPHICS

If changes are required on any figures or tables, please supply a replacement image file electronically in one of the following formats: **TIFF, EPS, PostScript** (MSWord including Word files with embedded graphics, jpg, gif, and Powerpoint files are not acceptable). No changes can be made to existing image files. A new image file must be provided.

Line Art TIFF Images must be 600 dpi and 1 bit per pixel. **Grayscale and Photos TIFF Images** must be 300 dpi and 8 bits per pixel. For more information on TIFF files, please go to <http://www.ieee.org/organizations/pubs/transactions/information.htm> and click on the link "Guidelines for Author Supplied Electronic Text and Graphics."

If you cannot send in electronic media, **a hard copy of the revised image must be sent in for scanning**. Please send by overnight express carrier a hard copy of the corrected image to the attention of (**Sara T. Scudder, Journals Coordinator, TCAD**). We cannot accept faxed hard copy for scanning.
